(Mario & Luigi are running away from Monty Mole up the sprial hill, but Monty got hold of a mine cart (and makes a pose during the line: No matter what you do, I'm gonna take you down as he points the plumbers) so Mario & Luigi are travelling the other direction as Monty presses the red button, rocks are falling down, the plumbers jump over a Buzzy Beetle, but the line finishes so the Marios jump off the barrier but Monty slams into the barrier)

Mario: Okay Luigi, let's try to get out of here!
Luigi: You said it, Mario.

Monty gets up from the crash as he sees the Marios escaping.

Monty Mole: Wha?... Why, them scheming little poachers! I ought to, I ought to... If those two think they can go tell the world about my treasure caves, they've got another think coming to them!

Luigi: Hey Mario, how are we going to get out?

Mario: Don't sweat it, Luigi. I'll try to find a Fire Flower so we can burn them bars...

Mario realises that there are no Fire Flowers.

Mario: On second thought I wait until the next pasta shipment.
Luigi: Even in danger, he thinks of food!

Monty Mole: You plumbers... Even if you have that Fire Flower, you will never escape. Might as well get comfortable since you're going to be here the rest of your lives!

Meanwhile above Mario & Luigi, Mouser and Triclyde are looking for King Koopa's treasure.

King Koopa: You better be right about this!
Mouser: Absolutely positive, your rottenness! Mouser one out.

Mouser & Triclyde: **We're rich--We're rich very very rich--we're rich!**
King Koopa: Who's rich?
Mouser & Triclyde: You're rich, King Koopa. You!
King Koopa: Good cos if it was up to you two dummies, you Mouser would spend it on cheese and you Triclyde who have er... plastic surgery.

Mario & Luigi: We have! But you got better.
Monty Mole: Thanks Mario Brothers.

Monty Mole: **No problem! I got plenty to spare! Pasta is all on me! I mean,**
I can't thank you enough for showing me the error of my ways! Plus I was a minion for King Koopa once before I was retired... well got kicked out for helping a Mushroom.
Mario: Easy Monty, **You're not going to get all sappy sentamental on us now and start gushing are you?**

Monty Mole: Heck no. I leave them to the gushers, Mario. Now for some tasty pasta with my new friends.

Mario:Hey! I could get used to this.
